THE MISSION ADVANTAGE

Mission Jumbos are bigger avocados offering consumers more to eat and more to love.

Jumbo avocados are the ideal choice for families looking to feed the whole household, or shoppers preparing to entertain. Packaging is both eye-catching and sustainable, using less plastic than competing options.

AVOIntel™

41% of consumers say they prefer larger avocados with two to three servings.*

* Avocado Purchase Drivers survey conducted on 12/6/22

1 of 6 avocado dollars is spent at club stores – stay competitive by offering a club-sized pack at retail.*

* Numerator Insights Avocado Shopper Profile, Calendar Year 2023
