

2024 GROWER BENEFITS & INCENTIVES

Committed to maximizing your profits.

SET PRICING MODEL

Mission's pricing is set daily by size and variety. A grower's actual return is paid on the average daily price per pool period* by size, variety, and grade.

**Pool dates: 1st-7th, 8th-14th, 15th-21st, 22nd-End of Month*

VOLUME INCENTIVE

- Highest eligible incentive level paid on all Grower Daily priced marketable volume.
- Volume incentives are paid in full at the conclusion of the season.
- Groves owned by the same grower or entity will qualify to be combined in this program.
- No maximum volume.

Speak to your Mission Produce Field Representative for more Details and Information.

FOOD SAFETY SUPPORT

Mission's field food safety and compliance teams are available to assist our California growers with regulatory compliance audits, including Good Agricultural Practices (GAP), the Food Safety Modernization Act (FSMA), and Organic systems.

AGRONOMY SUPPORT & EDUCATION

Mission's agronomy team provides the highest level of education and support to our growers. We offer on-farm agronomic reviews to help build future yields with improved growing and management practices.

Northern Field Department & Packing House 2901 Camino del Sol, Oxnard CA 93030

Southern Field Department 28071 Diaz Road #C, Temecula CA 92590
